

Welcome. You have 60 minutes to collect as many points as possible. 1 point will be deducted for every 3 secs you're late. (20 points / minute). In case of emergency ring Simon 07910 054069. Good luck and enjoy!

- The small pink dot in the centre of the large circle indicates the exact location of the 'control'. The triangle denotes the 'Start / Finish'
- Most 'controls' will be post boxes, lamp posts or fire hydrant signs. You'll need to copy down one number or letter (denoted by the _ in the description); I've included some examples.
- A couple of controls are 'signs' that require you to enter a word to complete the sentence.
