Dear Chris,

I was delighted to receive your donation of £363.00 raised from various events held during 2012 and 2013. This is a fantastic amount to receive and a huge boost to White Lodge Centre funds.

Today, over 2,000 disabled babies, children, teenagers, adults, their families and carers are helped by the activities and services offered by White Lodge Centre. Our focus is to continue providing our essential services to these people, from a range of different therapies including hydrotherapy and speech therapy to short term respite care and nursery education. It costs almost £2.5 million per year for this work to continue.

We can do our work only because of the ongoing support we receive from people like you, so thank you once again.

Yours sincerely,

Jacky Money
 Head of Fundraising
